

Quick Knit Flower

Designed by Denice Johnson

The quick knit flower is something that you can throw together fast when you're short on time and have little yarn to work with.

Knitting Loom: 24 peg round loom

Yarn: medium weight in any colour

Notions: knitting tool, tapestry needle, accent button

Abbreviations: K-Knit stitch

Pattern note: use one strand throughout the entire project, pattern is worked in the round

Instructions:

ewrap cast on 24 pegs, work in the round

Rounds 1-6: knit to the end of round

Round 7: knit peg 1, knit peg 2, place the stitch from peg 2 on peg 1 and knit over
place yarn over peg 2, knit peg 3, knit peg 4, place the stitch from peg 4 on
peg 3 knit over. Repeat for the remainder of the row.

Rounds 8-13: knit to the end of round

Round 14: bring up cast on row and place on pegs, knit one row

Finishing:

Using gathered bind off, bind off all pegs

Tighten and tie string end and cut. This will be the bottom of the flower

Give the flower a little tug at picot edges

Secure flower at the middle with the accent button to your project
